Dear ADMC Members and Friends,

Dr. Harold Reetz will be leaving our organization on November 15th to pursue other business interests. We appreciate all of his efforts working for ADMC and wish him well in his endeavors.

As we conduct our search for a new Executive Director, Leonard Binstock, ADMC Drainage Consultant, will assist us in managing our upcoming CIG project and Jeanne Hansen will provide administrative assistance, education, and membership services.

Please route any ADMC membership and association business and questions to Jeanne Hansen at (W) 507-451-0073 or (C) 612-290-5416 e-mail: jhansen@admcoalition.com.

For issues concerning our new CIG please contact Leonard Binstock at (C) 507-456-8872 e-mail: lbinstock@admcoalition.com.

Thanks Harold and best of luck.

Respectfully,
